

Board Member Application

We are delighted that you are interested in joining our Board! The role of the Fair Food Matters Board of Directors is to provide visionary guidance to the organization while overseeing the Executive Director and fiduciary responsibility. This is accomplished through monthly meetings and committee work. It is expected that all Board members will attend at least 10 Board meetings annually, and spend a minimum of four hours per month on Board business, plus optional project or committee time. Once we receive your application, we will discuss your candidacy, meet with you individually, and schedule you to attend one of our Board sessions. Again, thank you for your interest in Fair Food Matters. We look forward to meeting you!
